

Hello!

This is just a quick reminder that our Ultimate Swiftie Popstar Extravaganza begins on Tuesday, June 17th at The Dance Factory. Camp is from 5-6:30 each day. Your dancer will learn a fun routine to perform, participate in crafts, and have a designated snack time. We are so excited to have your dancer join us!

READ THE FOLLOWING CAREFULLY:

- 1) Camp begins at 5:00pm each day. The front doors will remain locked and will open at 5:00pm for dancers to enter. When you arrive, please find your name tag and help your dancer put it on. They will be assigned a color and/or character for the entire week so that they know which group they belong with. We will call dancers by group, give your dancer hand sanitizer and we will take your dancer to their camp room. You are welcome to sit in the mall but most parents drop and go until show time! If this is your first time joining us at The Dance Factory, we keep our doors locked at all times for the utmost safety of our dancers.
- 2) Please send water with your dancer each day - they will work up a sweat!! We ask that you do your best to send a no-spill water bottle and **NO** juice or soda as they are not permitted in the studio.
- 3) We will provide a small snack for the dancers each day. Please respond to this email ASAP if you did not indicate a food allergy on your registration or your dancer has recently developed a new allergy that we need to be aware of.
- 4) Show time begins at 6:20pm each day - **two** observers may come and watch your dancer before you take them home. You will be allowed to take photos and videos! This is their favorite part!
- 5) We encourage your dancer to dress up to match our theme but they may also just wear clothing that they can dance comfortably in. If they are wearing a costume, please ensure they can move safely in their costume.
- 6) Dancers should wear jazz shoes or participate barefoot each day - whatever is easiest for your family!
- 7) PLEASE make sure that your dancer uses the restroom before arriving. It helps alleviate having to take multiple people to the restroom at once and we want to make sure we are spending all of our time having FUN :) There are restrooms located next to Home At Last or across from Master Overbys in the mall.

If you have any questions please feel free to email [office@dancefactorynews.com](mailto:office@dancefactorynews.com) at any point. We hope they are as excited as we are!

Kind Regards,

The Dance Factory Faculty
